WALK FOR WOMEN

TE HIKOI HAERE MŌ NGĀ WAHINE

UN Women stands behind women's equal participation in all aspects of life, focusing on five priority areas:

1. Expanding women's voice, leadership and participation.
2. Ending violence against women.
3. Strengthening implementation of women's peace and security agenda.
4. Enhancing women's economic empowerment.
5. Making gender equality priorities central to national, local and sectoral planning, budgeting and statistics.

Thousands of women and girls experience physical and sexual violence every year across the Pacific.

Human rights are women's rights.
Women's rights are human rights.

Funds raised from Walk for Women 2012 go towards the Pacific Trust Fund to end violence against women in the Solomon Islands.

You can fundraise by walking, biking or running in your neighbourhood, town, or to work. You can set the day, time, place and pace for your walk on your own or with family, neighbours and friends. Suggested donation per person is \$5 - \$10.

UN Women Aotearoa New Zealand National Committee will organise some walks. These will be advertised on the web site and in newsletters. For more information and to find out about organised walks email Joy Dunsheath on unwomennz@xtra.co.nz
